

Rocketmine (Pty) Ltd is Africa's premier drone services provider, headquartered in Johannesburg, and operations across West Africa. We are a fully licensed commercial drone operator focussing on delivering safe, reliable, accurate and cost-effective data to our customers.

### **Position Overview : RPAS Pilot**

Following our rapid expansion, Rocketmine is looking to hire immediately a highly motivated RPAS pilot to be based at one of our customer sites, located in Hiré, Côte d'Ivoire, working in close partnership with surveying teams.

### **Responsibilities**

- ✓ Executing and supervising all flights and maintenance activities at the site of operation.
- ✓ Accountable for the safe operation of each RPAS
- ✓ Submitting flight and maintenance documentation, inclusive of all flight operational documents per flight.
- ✓ Maintaining high level of compliance with ANAC regulations and requirements
- ✓ Processing of accurate and timeous data and delivering quality professional services to our clients
- ✓ Being a brand ambassador for Rocketmine

### **Minimum requirements:**

- ✓ Applicant should be 18 years or older
- ✓ Applicant should be Ivorian citizen with right to work in Côte D'Ivoire
- ✓ Applicant should be able to pass a medical examination (Class 3)
- ✓ Applicant should be fluent in English (read and write) and French (read and write)
- ✓ Applicant should be willing to relocate if needed. The majority of current Rocketmine clients are based on a mine. You are likely to be expected to live in or around this environment.

### **Skills**

- ✓ Holding a valid RPL or PPL will be beneficial
- ✓ Preference will be given to applicants with an aviation or surveying/civil engineering background or experience.
- ✓ Customer service focus
- ✓ Ability to work in a stressful environment
- ✓ High self-standard
- ✓ Excellent communication skills
- ✓ High Attention to details and excellent administrative skills
- ✓ Bachelor's degree would be a plus

### **Remuneration**
